REVENUE DEPARTMENT.

Circular No. D. 723-35, dated 1st February 1909.

To—The Deputy Commissioners of Districts :—

With reference to this office Memo No. D. 720-7, dated 1st February 1909, communicating the orders of Government authorising the grant of relief to totis and talaris under Section 177 of the Mysore Famine Code, the Deputy Commissioners are requested to submit an estimate of the amounts they may require for this purpose in their districts. The Inspector-General of Police will have to be addressed on the subject of granting allowances to such of the totis and talaris as may be employed on Police duty, and the totis and talaris employed on works will receive the wages due to them from the funds provided for the works concerned. The estimate should, therefore, provide for the relief only of such totis and talaris as are required for revenue work in the affected taluks in accordance with the principles laid down in Section 177 of the Famine Code. Only one toti or talari should suffice for revenue work in ordinary villages, and only in the case of large villages the Amildars may have to employ more than one with the special sanction of the Deputy Commissioner.

2. A statement showing talukvar the number of villages affected and the number of totis so employed should be submitted along with the estimate.

A. RANGASWAMI IYENGAR,
Revenue Commissioner.
